

BARGAINING UNIT 1

WESTERN WASHINGTON AND WENATCHEE TFREC RESEARCH & EXTENSION UNITS

Bargaining Unit 1 at Washington State University consists of all classified staff employees of the Washington State University College of Agricultural, Human and Natural Resource Sciences employed in research and extension activities west of the Cascade Mountains. Excluded from the unit are confidential employees, internal auditors, employees in other bargaining units and employees historically excluded from the unit by orders of the Washington Personnel Resources Board (WPRB) or its predecessors.

EXCEPTIONS to the “west of the Cascade Mountains” definition include the Maintenance Mechanic 1 and Maintenance Mechanic 2 positions at the Wenatchee Tree Fruit Research and Extension Center (TFREC). No other job classes at the Wenatchee TFREC are included in the bargaining unit.

The following positions are specifically EXCLUDED from the unit:

Secretary position reporting to the Chief Administrator of Western Washington Research Extension Center (WWREC) and its entities;

Secretary position reporting to the Administrator of the Extension Unit at Western Washington Research Center in Puyallup;

Supervisory position directly responsible to the Chief Administrator of the WWREC and its entities for all research and physical plant budgets, purchases and disbursements;

Supervisory position directly responsible to the Chief Administrator of the WWREC and its entities for supervising all farm and maintenance crews and scheduling job assignments at the main center and its outlying entities;

Supervisory position directly responsible to the Chief Administrator at WWREC and its entities for maintaining the physical plant poultry operation at WWREC and the direct supervision of all poultry plant support personnel;

Secretary position reporting to the Chief Administrator of the Northwest Washington Research and Extension Unit at Mt. Vernon, Washington;

Secretary position reporting to the Chief Administrator of the Southwestern Washington Research and Extension Unit at Vancouver, Washington.
