

Public Employees Benefits Board (PEBB)

Certification of Dependents With Disabilities

- Type or print clearly in black ink. Inaccurate, incomplete, or illegible information may delay coverage.
- Attach a completed enrollment form along with this form if this is a new enrollment.
- Complete Subscriber and Dependent sections; you must have your doctor complete the Physician section on the back of this form.

To qualify for PEBB coverage, a dependent child age 20 or older with a disability must be incapable of self-support due to a disability as defined in WAC 182-12-260(4)(e) which requires you to meet **one** of the criteria below:

- 1. If the child is not currently enrolled in PEBB coverage or is the dependent of a newly eligible subscriber**—You must provide evidence that the disability occurred before age 20 or when he or she qualified as a student under PEBB rules. You must do this within your enrollment timelines.
- 2. If the child is currently enrolled in PEBB coverage**—You must provide evidence of the disability within 60 days of the child turning age 20 or when he or she loses eligibility as a student under PEBB rules.

If the child is age 20-24 and no longer qualifies as a dependent with disabilities, he or she may qualify for PEBB coverage as an adult dependent. You can find the *Adult Dependent Enrollment/Change* form on our Web site at www.pebb.hca.wa.gov.
